PREMIUM FARM LAND PLOTS

invest
IN SUSTAINABLE LIVING WITH BELLEVUEE

Bellevuee, a farm land development initiative aimed at creating a sustainable and self-sufficient farming community.

An opportunity to buy lush green Farm plots Spread across 22 acres. Bellevuee is enriched with fully grown Coconut Trees, Silver Trees and Teak plantation.

Our aim is to promote sustainable agriculture and healthy living by providing individuals with the opportunity to create their own farms, gardens, and green spaces. The farm plots will be designed to accommodate various types of crops, including Fruits, Timber & Vegetables depending on the farm plot owner's preferences.

EXPERIENCE THE *magic* OF FARM LIFE

Bellevue is spread across 22 acres & when completed will have more than 5000 trees & plants, walkways, Picket fencing & 24/7 security. The project will also have a common area with Cottages/Rooms with Kitchenette, Landscaped Garden, Car Parking and a Dinning area among others.

Our farm land plots will be managed by experienced Agronomist who will implement the best farming practices to ensure optimal growth. We believe in cost-effective, long-lasting, and easy-to-maintain solutions for our farm plots. Our designs are creative and adorable, all while being affordable. Our infrastructure development will be carried out in a way that preserves the land's natural resources and promotes Bio-diversity.

WITH US

WHY *choose* BELLEVUEE?

Immersed in the heart of this land, one can experience a profound connection with nature that transcends ordinary boundaries. The rustle of leaves, like a delicate melody, sweeps through the air, creating a symphony that resonates with the soul. It is as if the very essence of the wind whispers secrets of tranquility and harmony, inviting all who listen to embrace its calming embrace.

In the midst of this serene atmosphere, a deep silence settles, embracing both mind and spirit. It is a silence that speaks volumes, allowing one to escape the clamor of everyday life and find solace in the embrace of nature. Within this quietude, one can find respite and rejuvenation, as if the world itself pauses to take a breath, allowing us to do the same.
